

# Ruby Developer (f/m/d) Remote at BSDEX GmbH

Location: Berlin or Stuttgart or 100% remote in Germany

## You don't live in Berlin? No worries, we live and breathe a remote culture

### About

We are Boerse Stuttgart Digital Exchange GmbH – we are building Germany's first regulated trading venue for digital assets. We set high standards in transparency and security and offer a reliable framework for trading. In order to realize this ambitious endeavor, we are looking for new colleagues (f/m/d), who are willing to take on responsibility, who bring in a good portion of pioneering spirit and courage to accompany us on this path.

### Mission

Börse Stuttgart Digital Exchange offers retail and institutional clients a trusted and reliable way to trade and store digital assets.

### Your Role

- You take ownership for building a strong engineering culture within our teams
- You collaborate with your fellow engineers and product owners to design, code and deploy our software
- You deliver high quality code in an efficient manner and automate repetitive tasks as much as possible
- You take end-to-end ownership about the code you deploy ("You build it, you run it")
- You actively contribute to our technology strategy and help to implement it
- You connect and collaborate with relevant stakeholders and external parties which are essential elements in building our digital products

### Your Skill set

- You have several years of experience working professionally with Ruby
- Experience in Go, Javascript / React, Docker and Kubernetes are a plus
- Ideally you have already worked in highly regulated industries/contexts such as the financial industry (i.e. banking, trading, fintech, token economy)
- You are passionate about people and new work philosophies
- You actively shape and contribute to a healthy team culture based on mutual trust and support and you are fun to work with :-)

### Benefits

- Competitive salary
- Stability through corporate back-up and lots of growth opportunities
- 100% flexibility: work from where you want, when you want
- State-of-the-art tech environment
- Learning and Development budget (500 € annually) Philipp Klug
- 30 days of vacation

Sounds good? Philipp looks forward to your profile (e.g. CV/LinkedIn/GitHub - no need for a cover letter) under [jobs@bsdex.de](mailto:jobs@bsdex.de) and will get back to you within 72 hours!
